Surgical Staff, Inc. receives Joint Commission Health Care Staffing Services Certification

Surgical Staff, Inc. announced that their nationwide specialty surgical staffing service has received certification by the Joint Commission under its Health Care Services Certification Program

“Health care organizations that contract with Surgical Staff, Inc. can look to this certification as an assurance that Surgical Staff, Inc. demonstrates a commitment to providing and continuously improving quality services”

*Michelle Sacco, M.S. executive director,
Health Care Staffing Services Certification, Joint Commission*

“Certification validates Surgical Staff, Inc’s long standing management framework for quality, safety, and improving performance as well as our professionalism and sound business practices. Surgical Staff is dedicated to providing professional nurses and technologists that are qualified to provide safe, competent high-quality care to patients.”

*B.J. Foster, RN, BSN, CNOR, CNA
President of Surgical Staff, Inc.*

*Nora Sugrue, RN, CNOR
Director of Professional Services*
